## ***ENVIRONMENTAL POLICY***

*It is Sapa Extrusions LLC~Delhi policy to operate in a responsible manner, which respects the environment and the communities where we operate. We will not compromise our environmental values for profit or production.*

## ***ENVIRONMENTAL PRINCIPLES***

In support of our Environmental Policy, the following principles have been developed to provide additional direction on specific issues. It is our goal to:

- **comply** with all applicable environmental laws, regulations, permits and corporate requirements, and will employ more restrictive internal standards where necessary to conform to the above policy;
- **continually improve** environmental performance by establishing objectives and targets with a goal towards reducing environmental impacts;
- **prevent pollution** through programs such as sustainable development, zero discharge, waste minimization, and/or energy conservation.; and
- **maintain open communication** with the community and our employees about our environmental performance.

These goals reflect our dedication to our objective to leave "No Environmental Footprint".

*All employees, contractors, and visitors are expected to understand, promote and assist in the implementation of this policy.*
