

SAPA HEAT TRANSFER

Welcome to Sapa Heat Transfer i Finspång

Welcome to Sapa Heat Transfer in Finspång! Health and safety is one of Sapa groups´ focus areas. I therefore send you our visitor instructions and kindly ask you to read these before visiting us.

- Your car can be parked just outside the area. If you need to bring it in please inform your host before the visit.
- All visitors must **receive** a visiting vest and badge at the entering gates and **sign in** with name, company and name of the host at Sapa.
- After the visit the vest and badge should be **returned** to the entering gates. If the visit lasts for a number of days the visitor can keep the vest and return it when leaving.
- For a larger group of visitors you do not have to register every member of the group as long as the leader/teacher has appropriate information about the group.
- Children under 12 years of age and pets are not allowed in the works premises without a special agreement.
- You are not allowed to take any pictures within the works premises.
