

HEALTH & SAFETY POLICY STATEMENT

In the field of health and safety we seek to achieve the highest standards. We do not pursue this aim simply to achieve compliance with current legislation, but because it is in our best interests. The effective management of health and safety is an investment which helps us to achieve our purpose.

We will seek continual improvement in health and safety performance by attention to the design, maintenance of systems and places of work and of our products.

To achieve this:

- We will provide adequate control of health and safety risks arising from our activities;**
- We will consult with our employee on matters affecting their health and safety;**
- We will provide and maintain safe equipment;**
- We will ensure safe handling and use of substances hazardous to health;**
- We will provide information, instruction and supervision for employees;**
- We will ensure all employees are competent to do their tasks and to give them adequate training**
- We will aim to prevent accidents and causes of work-related ill health;**
- We will set objectives and monitor performance;**
- We will review and revise the policy as necessary at regular intervals.**
